Subject: from USEPA Region IX: response requested within three business days of receipt

The U.S. Environmental Protection Agency has received a request under the Freedom of Information Act (FOIA) for records containing information related to certain compliance

records submitted to the EPA under the New Source Performance Standard (NSPS) for Oil and Gas (NSPS 0000a). This FOIA request may be viewed at <https://foiaonline.regulations.gov/foia/action/public/view/request?objectId=090004d28171d08c>. If you have difficulty pulling up the web page, you can try going to <https://foiaonline.regulations.gov/>. Click on Search FOIA Requests, then enter EPA-HQ-2018-001886 in the Search Criteria/Search For field, and click Search.

The records requested include results of performance tests, initial semiannual reports for gas plants, semiannual reports for gas plants, annual reports and annual reports of excess emissions for sweetening units. We believe you may have made a submittal under one or more of the provisions §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b).

By your response to this email, please indicate whether you wish to assert a confidential business information (CBI) claim with respect to any portion of report submitted under §§60.5422a(b), 60.5422a(a), 60.5420a(b), or 60.5423a(b) or any addendum, update or attachment to report, that your company has submitted to EPA.

If you decide to assert such a claim, the EPA will temporarily treat the reports that you identify, and its updates, attachments and addenda, as confidential pending further investigation by the EPA. Please be advised that, as part of such further investigation, EPA is likely to request (in a subsequent communication) that you substantiate any CBI claim. If you do not assert a timely (see below) CBI claim with respect to any portion of a report or its addenda, updates or attachments, as described above, those records may be released to the requestor without further notice if EPA determines that the records are responsive to the FOIA request.

If you decide NOT to assert a CBI claim, please respond to this email and indicate your desire not to assert any CBI claims.

You have been identified by EPA as the responsible corporate official, under the FOIA regulations in 5 U.S.C. 552. Any CBI claim your company wishes to assert must be brought to the EPA's attention (by response to this email) no later than the close of business on the third working day from the date of this receipt by the responsible official (not including weekends). If you have any questions regarding this matter, please contact me by responding to this email or by phone (see below).
